

lighthouse -Part◇-

誰か、聴こえる？

そう、今 無我夢中で

暗闇の果てで煌く 君はどうだい？

それとも... 幻覚

Oh... 誰か聞こえるなら...

'Cause I, I need to find the sign

Are you the lighthouse in the night

真夜中に光る灯台なら I'm for you

燃え上がる野火なら Baby, I'mma run

Tell me if you are the lighthouse

煌く光は Are you the lighthouse?

I don't know who you are, I don't know who you are anymore

Uh...
